Maggie Valley is in the heart of the Smoky Mountains. As a vacation destination you will find a golf course, Cataloochee Ski area, snow tubing, Ghost Town in the Sky Amusement Park, putt-putt golf, trout fishing, picnic locations, horseback riding, restaurants ranging from gourmet to good country cooking, antiques and many craft shops.

## Walch Creekside Log Cabin Retreat—Unit #100

Perched on top of a Smoky Mountain at 4,400' in a natural park setting on two acres in Maggie Valley, sits the "Walch Creekside Log Cabin Retreat". This three story cathedral ceiling log

cabin is 2,800 s.f. and has one king size bed in a master suite with whirlpool tub, one double futon in a loft off the master suite, two private rooms with queen size beds on the main

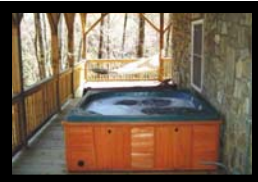

level, and in a large sleeping/den area one queen sleeper sofa, two twin top & two double bottom futon bunk, and three full bathrooms. Enjoy family fun in the garage game room with ping-pong and pool table. On the wrap

around decks relax in the hot tub spa with a picturesque mountain view or lounge on the hammock while overlooking 500 feet of a bold creek. UTV miles of trails throughout the community or

hike along the creek to waterfalls. The evenings are perfect for gathering around the fireplace while cooking in the fully-equipped kitchen or BBQ on the deck under the stars.

This vacation cabin comes fully equipped with linens, Direct TV/VCR/DVD, laundry facilities and phone service.

## Walch Pondview Log Cabin Retreat— Unit #101

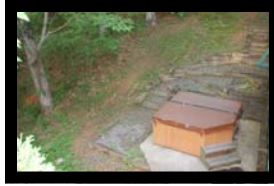

Come enjoy the country life at "Walch Pondview Log Cabin Retreat" set on three acres cascading down to a small pond. The two-story rustic cabin sits on a mountain side at an elevation of

3,000'. With its 3,200 s.f. of living area, your family will have ample room to enjoy their vacation. The evenings are perfect for family gatherings around the stone wall fireplace in the great room. Enjoy your meals with a view while dining at the great room table, or grab a quick meal at one of the kitchen counter stools. The galley kitchen with pine cabinets comes fully equipped with

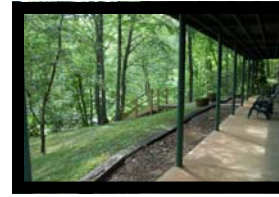

refrigerator, icemaker, range, stove/oven, microwave, dishwasher and phone service. The cabin has two king size beds in large bedrooms (one on each level), two double beds in their own cozy private rooms, and two queen sleeper sofas and two double futons in the recreational area. The main level has two bathrooms and the recreational level has one next to full laundry facilities. Picture you and your guests rocking on the deck and soaking in a ThermoSpas hot tub after a hard day's vacationing—grilling on the gas grill and enjoying the mountain view and scenery of our small pond and creek. Bring your tennis racket and tennis balls to play a game of tennis on the (aged) lighted private tennis court, or challenge the family to a game of shooting hoops, or a tetherball challenge. The kids will love the recreational area with its wood burning stove fireplace and cable TV/VCR/DVD, pool table, and ping-pong table.
